Deposits and says:-

This day at about 1235 PM I was on the roof of the Termaniell Annex Bldg on the NE Corner when the presidential Motorcade came down Main to Houston, North on Houston and then West on Elm. The cars had proceeded West on Elm and was just a short distance from the Tripple underpass, when I saw Gov. Connolly slump over. I did not see the president as his car had gotten out of my view under the underpass. There was a volley of shots, I think five and then much later, maybe as much as five minutes later another one. I saw one man run towards the passenger cars on the railroad siding after the volley of shots. This man had a white dress shirt, no tie and kahki colored trousers. His hair appeared to be long and dark and his agility running could be about 25 yrs of age. He had something in his hand. I couldn't be sure but it may have been a head piece.
